Cozy and central apartment in Puerto Banus. Located in Marina Banus, an incredible complex that adjoins on one side the English Court of Puerto Banus and on the other, with the beach and the Port.

The apartment has two bedrooms and two bathrooms as well as a bright living room that overlooks a large terrace overlooking the communal pool. The kitchen has a window that overlooks the living room that makes it semi-American.

The resort also has a gym and paddle courts. It has an underground garage.

Ideal to live!
